

# GEORGIA ASSOCIATION OF WATER PROFESSIONALS

## Individual Member Application

The Georgia Association of Water Professionals is a not-for-profit organization which was founded in 1932 and has grown to a membership of over 4,000 operators, owners, contractors, manufacturers' representatives, engineers, elected officials, industry representatives, and others concerned with water resources. Our primary purpose is to EDUCATE AND ASSIST those who have an interest in water and wastewater in our State.

### Benefits of Individual Membership:

GAWP is a community for water professionals, and is a resource to increase your education and advance your career through the many networking and training opportunities GAWP offers.
